

Guide til SPAM filter Oprettelse som bruger

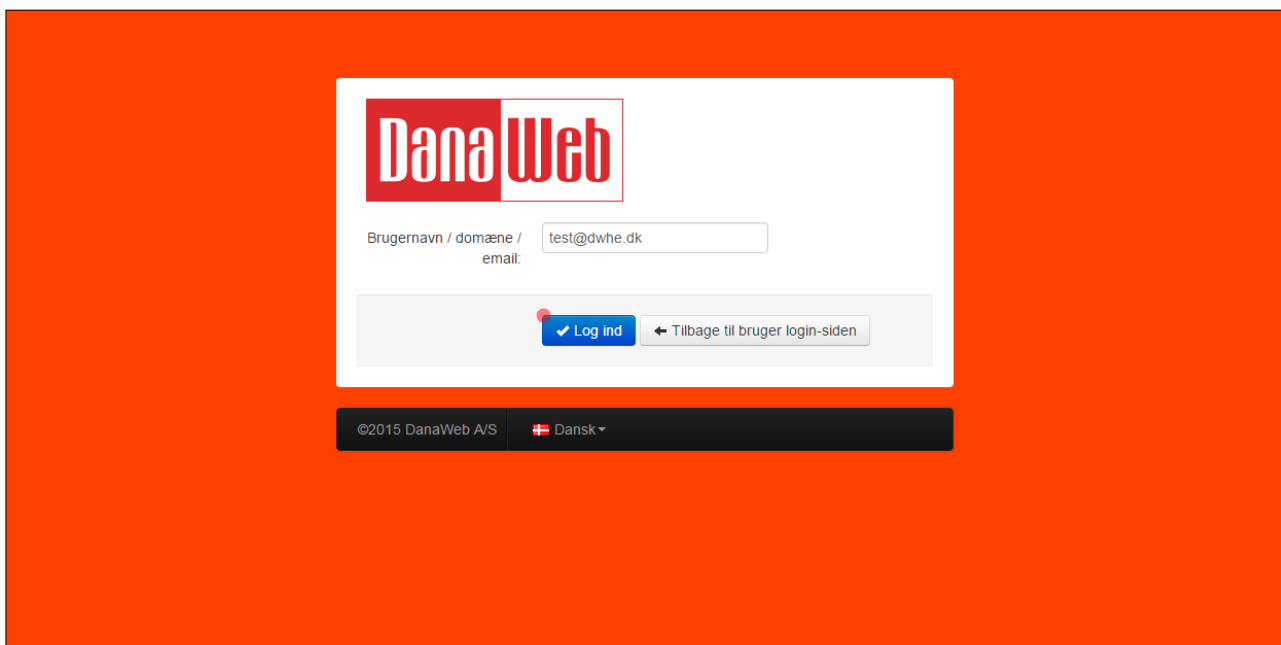

Denne guide vil hjælpe dig til hvordan, at du opretter dig som bruger på vores SPAM filter.

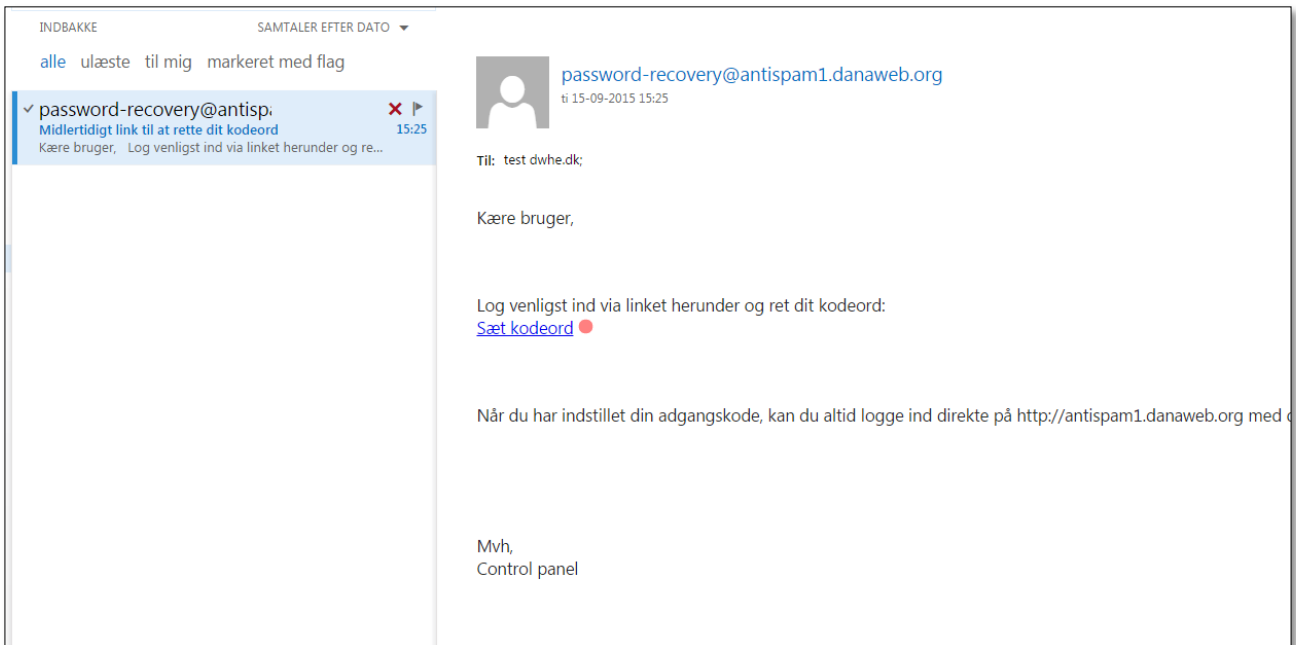

1. Til at starte med, skal du tilgå vores SPAM filter.
Dette gøres via dette link: <http://antispam1.danaweb.org/>
Når denne side vises, klikkes der ”Hent login link”.

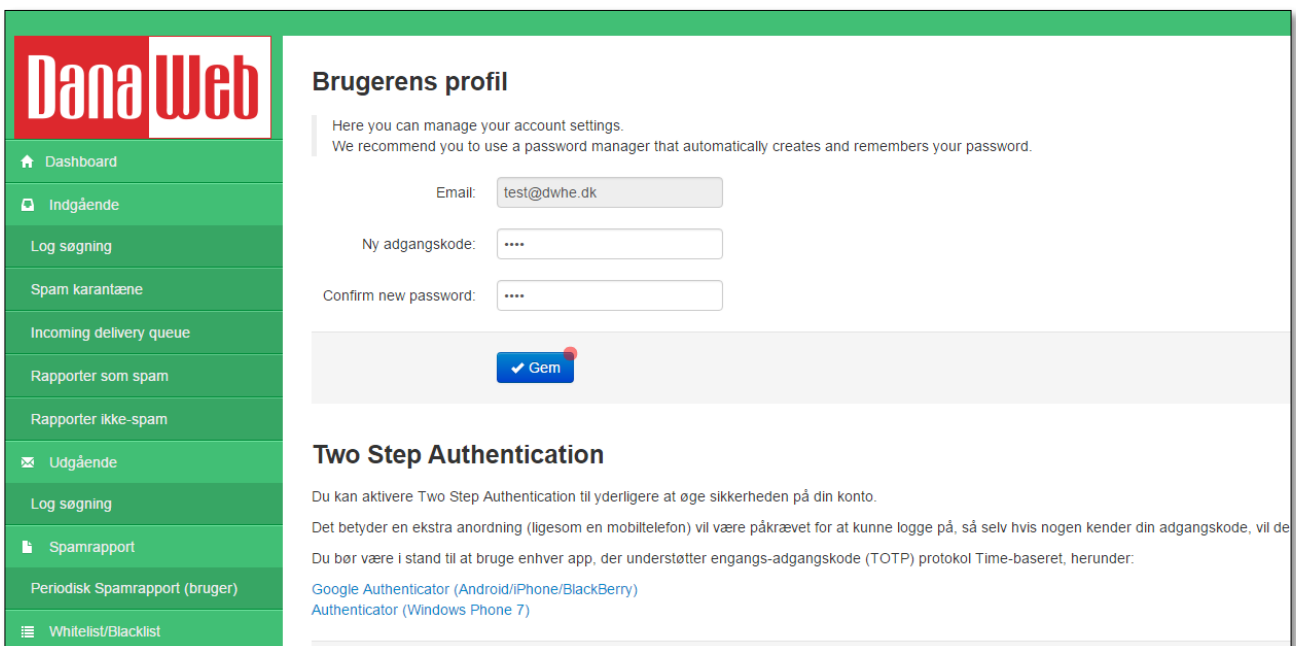

2. Indtast nu din mailadresse, og klik herefter ”Log ind”.

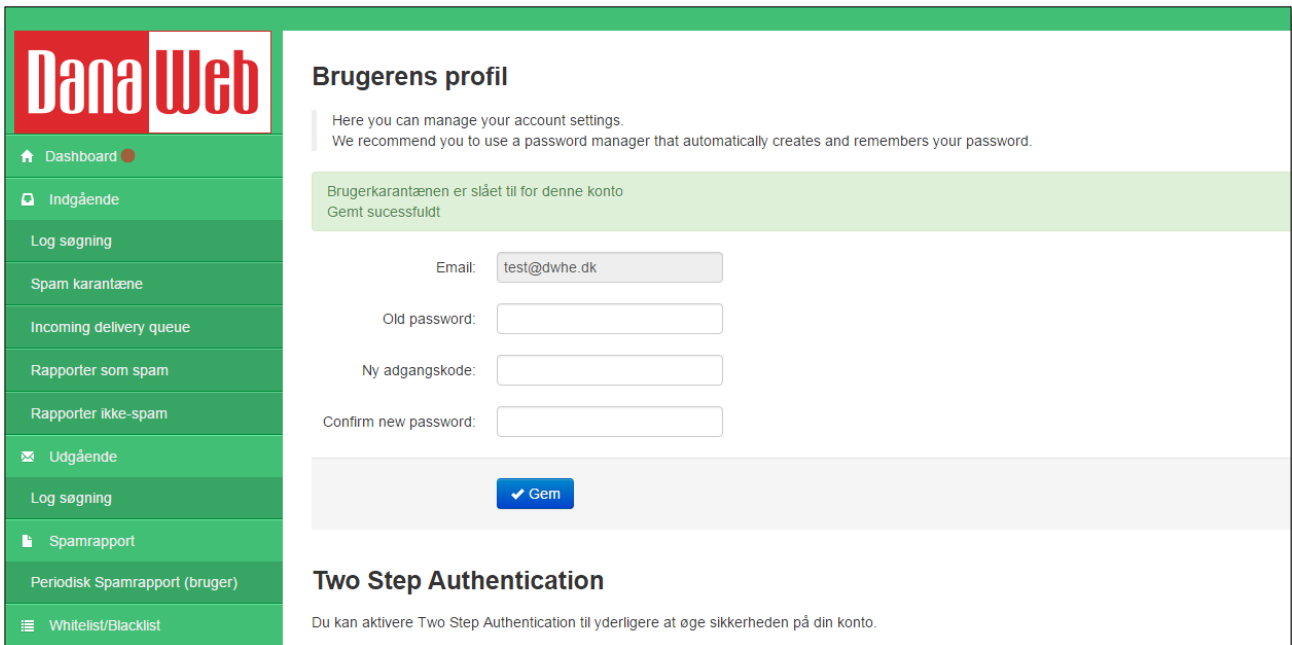

3. Der sendes nu en mail til den indtastede mailadresse.
I denne mail klikkes der ”Sæt kodeord”.

4. Indtast nu din ønskede adgangskode i begge filter, og klik herefter ”Gem”.

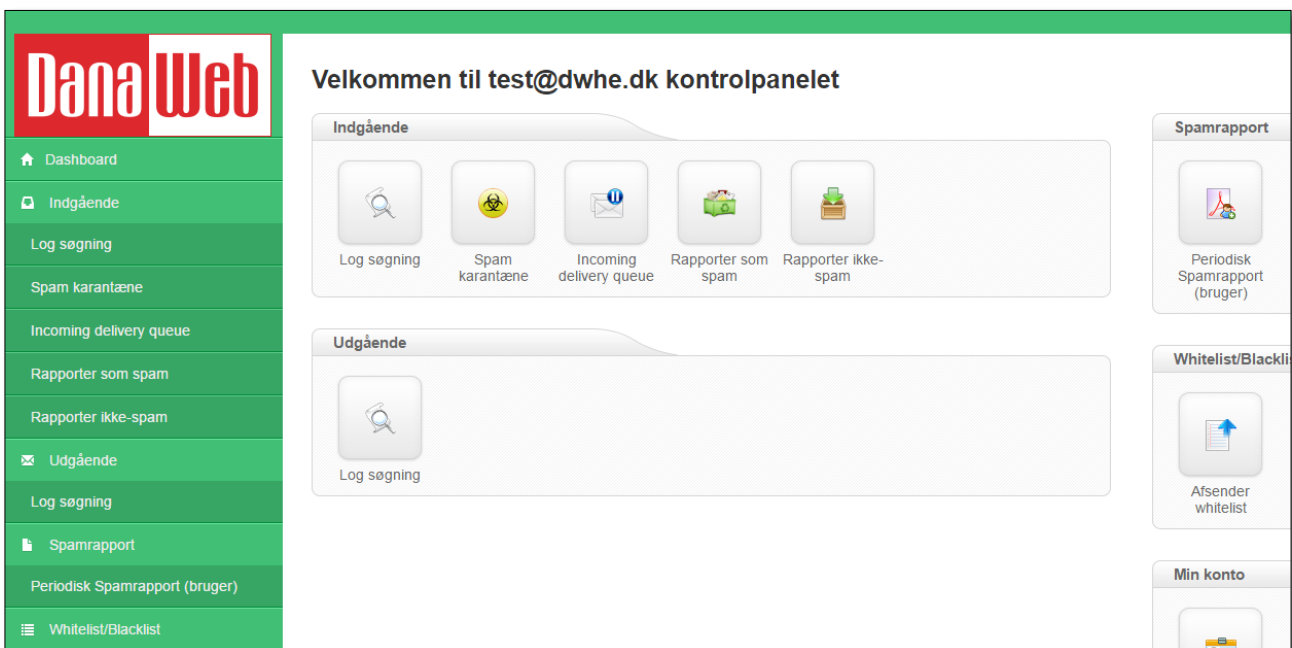

5. Din adgangskode er herefter gemt.
For at få adgang til SPAM filteret, klikkes der ”Dashboard” i venstre side.

The screenshot shows the 'Brugerens profil' (User Profile) page. On the left is a green sidebar menu with the DanaWeb logo at the top and various navigation options: Dashboard, Indgående, Log søgning, Spam karantæne, Incoming delivery queue, Rapporter som spam, Rapporter ikke-spam, Udgående, Log søgning, Spamrapport, Periodisk Spamrapport (bruger), and Whitelist/Blacklist. The main content area is titled 'Brugerens profil' and contains a message: 'Here you can manage your account settings. We recommend you to use a password manager that automatically creates and remembers your password.' Below this is a green notification box stating 'Brugerkarantænen er slået til for denne konto' and 'Gemt sucsessfuldt'. There are input fields for 'Email' (test@dwhe.dk), 'Old password', 'Ny adgangskode', and 'Confirm new password', followed by a blue 'Gem' button. Below the profile section is a 'Two Step Authentication' section with the text: 'Du kan aktivere Two Step Authentication til yderligere at øge sikkerheden på din konto.'

6. Du har hermed adgang til SPAM filteret for din mailadresse.

The screenshot shows the 'Velkommen til test@dwhe.dk kontrolpanelet' (Welcome to the control panel for test@dwhe.dk). The layout is similar to the previous screenshot, with a green sidebar menu on the left. The main content area is titled 'Velkommen til test@dwhe.dk kontrolpanelet' and features two main sections: 'Indgående' (Incoming) and 'Udgående' (Outgoing). The 'Indgående' section contains five icons with labels: 'Log søgning', 'Spam karantæne', 'Incoming delivery queue', 'Rapporter som spam', and 'Rapporter ikke-spam'. The 'Udgående' section contains one icon with the label 'Log søgning'. On the right side, there are three vertical panels: 'Spamrapport' with a 'Periodisk Spamrapport (bruger)' button, 'Whitelist/Blacklist' with an 'Afsender whitelist' button, and 'Min konto' with a lock icon.

Tillykke!

Du er hermed oprettet som bruger på vores SPAM filter.
